

This exploded view diagram illustrates the assembly of a vacuum furnace. The components are numbered as follows:

- 1**: Top lid or cover plate.
- 2**: Upper insulating or structural ring.
- 3**: Lower insulating or structural ring.
- 4**: Long vertical rod or support post.
- 5**: Shorter vertical rod or support post.
- 6**: Electrical control unit or transformer with a cable.
- 7**: Heating element or coil assembly.
- 8**: Protective shield or insulation layer.
- 9**: Main furnace chamber or body.
- 10**: Internal structural component or support.
- 11**: Base mounting feet or leveling pads.
- 12**: Front panel or access door.
- 13**: Fasteners (screws or bolts) for the front panel.
- 14**: Additional fasteners or components for the front panel.
